Our standard American Stratocaster series of upgrades are for both SSS and HSS pickup layout to give you a lot more pickup tones. They use our *revolutionary* patented **Pickup Tone Multiplier™** family of **Pickup Switch Upgrade™** products. The T4 upgrades give you 76 pickup tones and the T3 upgrades gives you 35 pickup tones. You install your own pickups into these products. Pickguards are right-hand 3-ply and available in **White** (shown in picture), **Black**, **White Pearlloid** and **Brown Tortoise**. Non-SSS, HSS and all left hand product variants are also available by special order. See our ASY-T4 and ASY-T3 products for typical pickup combinations. EZ Solderless installation. Price starts at only \$299.97 plus shipping.

TCP-T4
